

Greetings from Australia !!!

We are very pleased to announce that we will be exhibiting at IFFA in Frankfurt (4-9 May 2013).  
We will be in the **Hall 4.1 Aisle F-15**

We would very much welcome a visit from you and if you would like to talk about our products we would be very happy to show you the Ennio range and to discuss our products and your market in detail with you.

We have many solutions that we hope will be of interest of you.

In any event, Please stop and say Hello.
