

ennio Netted Casing

BENEFITS

BENEFITS	
Ennio Shirred Netted Casings	V Other Casing With Netting
Elastic Netting	= Maximum pressure on meat product = Assists with binding = Excellent indentation
All-in-one-product	= Single application = Flexibility & advantages of casing not glued to netting: → Easier to cut – no meat damage → Easier to peel – can be peeled in 1 or 2 stages (net first then casing)
Pricing	= Major cost benefits compared with glued products = Major cost benefits compared with double application
Any fibrous casing possible	= - Salame (cling style) = - Various easy-peel as required = - Smoke lined casing = - Colored casings

Netting available in a wide range of colors, sizes and shapes:
Square, Rectangular, Diamond, Hexagonal
