

South Australia's most successful and innovative exporters were honoured at the Business SA 2015 Export Awards, held on 23 October 2015 at the National Wine Centre.

In front of over 250 guests, nine companies were recognised for excellence in exporting in categories that included Regional Exporter, Small Business and the South Australian Exporter of the Year.

Australian based Sentek Technologies revolutionary approach to soil moisture, fertilizer and salinity management was recognised with the Business SA 2015 South Australian Exporter of the Year Award.

The Award winners' products and services confirmed the continuing diversification of the State's economy and the innovation and expertise of the export mix appealed to overseas buyers.

We would like to thank all of our members who came out and supported the event.

The 2015 Business SA Export Award winners are:

Category	Winner
Agribusiness	Ferguson Australia
Creative Industries	Windmill Theatre
Education and Training	Flight Training Adelaide
Environmental Solutions	Sentek Technologies
Information and Communication Technology	Avinet
Manufacturing	Levett Engineering
Regional Exporter	Steriline Racing
Small Business	Cape Barren Wines
Language and Culture Prize	Ennio International
South Australian Exporter of the Year	Sentek Technologies

We look forward to next year's event and encourage all exporters to take part in this great event.
